Subject: FOIL REQUEST

Commissioner Lockwood and Chief Young,

Below is a FOIL request from Captain Antonio. The information being requested concerns the Housing and Strike Force units Traffic Safety Checkpoints and their statistics. They are requesting a lot of information that we do not keep or track. But some of the information they are requesting we do in fact keep track of, such as our Monthly Reports and Checkpoint locations. I have spoken with Captain Antonio concerning this and I wanted to make sure that both of you were aware of this FOIL request. It will take me quite some time to accumulate all of this information and then transport it to HQ. I will keep both of you posted as this progresses. If you have any questions and/or comments please feel free to contact me.

Respectfully,

Captain Philip M. Serafini
